OUR PROGRAM

The Religious Education Program at Annunciation - Our Lady of Fatima assists parents in the religious formation of their children (grades 1-7) as Roman Catholics through:

- Weekly lessons are created by faith-filled adults who engage and challenge students to a deeper understanding of Jesus Christ with the goal of a more personal and spiritual relationship with Him.
- A community environment where all families feel welcome and enthusiastic in their love for Jesus Christ and the practice of the Roman Catholic faith.
- Seasonal celebrations of the Church year to foster enjoyment of the Church's sacred traditions.
- Special events to prepare students and their parents for the celebration of the First Eucharist, First Reconciliation, and Confirmation.
